

The National Institute for Health and Care Research (NIHR) not only expects, but requires all NIHR Biomedical Research Centre (BRC) support or funding to be acknowledged in all research outputs

Please notify the BRC Core team about your intention to publish as soon as possible, so that they have time to prepare and liaise with the NIHR, the University and the NHS Trusts to maximise coverage. You also need to send a copy of the paper/article/output to BRC.Publications@newcastle.ac.uk at least 14 days before it is due to be published so it can be sent to NIHR for review
